

Hephaestus ~ God of the Forge

Hephaestus is the son of Zeus and Hera. He is the least good looking of the Olympians. He was born with a handicap, a deformed foot. He is a gentle and good-natured god, but he is unhappily married to the goddess, Aphrodite.

Hephaestus makes armor and weapons for the gods and goddesses. He also makes jewelry. He is a very hard worker. His forge is located under an erupting volcano. The Cyclops assist him in making weapons, even Zeus' thunderbolt. His symbols include: the blacksmith's hammer and fire.
