Story Skill: Text and Graphic Features

<u>Text features</u> – parts of the text, such as titles, headings, or special type.

Boldface print – type that is heavy and dark to make it stand out from words around it.

As you read, look for heading, captions, diagrams, timelines and other features to help you understand the text and locate information quickly.

Decoding Skill: Suffixes

<u>Suffix</u> - an ending added to a base word. Common endings are -y, -ly, and -ous.

Think about the spelling changes that happen when a suffix is added, such as: y changes to I, final e is dropped, or final consonant is doubled.
